

Good afternoon, ALC Students

As you know by now, Governor Ralph Northam declared that all K-12 schools in the state be closed for a minimum of two weeks. Thank you for your patience as we work through how this closure affects Virginia Beach City Public Schools and the Adult Learning Center. This is a rapidly evolving situation, so we promise to keep you updated throughout the process

Continuity of Learning

We aim to keep our students engaged and learning over the next two weeks. You are encouraged to utilize the materials and resources your teachers will be providing. You will be contacted by your teacher with their virtual “office hours” in order to set up regular online or email conversations **as needed** during the closure. The purpose of these office hours is to answer questions you or parents may have about instructional tasks or resources.

School counselors are also available to support our students with non-instructional needs based on a schedule that will be provided by the school. You may contact any counselor through email

Information on teacher and counselor “office hours” will be posted on our website.

Spring Break

No decision has been made to change Spring Break at this time. We will keep you updated on any changes in the school calendar.

Staying Healthy

We encourage your family to follow [the CDC guidelines](#) for keeping safe and minimizing the spread of COVID-19. Medical questions may be directed to the VDH Hotline: 877-275-8343 (877-ASK-VDH3).

We will keep you informed during and after this closure and continue to communicate any change in status through our traditional channels. Please also continue to refer to our FAQ page at www.vbschools.com/COVID19, this site is continually being updated with new information.

Again, thank you for your patience and flexibility, and as always, thank you for your support of Virginia Beach City Public Schools.
