

LICENSED PRACTICAL NURSING (LPN)

Adult Estimated cost: \$5,978.00

Admission requirements can be found online at:

https://techcenter.vbschools.com/our_school/programs/licensed_practical_nursing

Compare us to others!

We think you will agree; a high-quality education from the Virginia Beach School of Practical Nursing is one of the most affordable LPN Programs in Hampton Roads!

This is an 18-month program; open to high school seniors and adults. Day classes are held at the Virginia Beach Career and Technical Education Center. You will learn in a state-of-the-art lab and on-site at hospitals for real clinical experiences. After the first nine months, you will have the opportunity to earn a Certified Nurse Aide certification. At the completion of the second nine months, students may take the NCLEX-PN Licensure Examination, if eligible by the Virginia Board of Nursing.

Adult* Application Process for Fall Class of September 2019:

Step 1: **Beginning February 15, 2019:** Pick up the nursing program catalog, application and list of required documentation for adults at the Virginia Beach School of Practical Nursing, 2925 North Landing Road, Virginia Beach, VA 23456 or the Adult Learning Center located inside the Renaissance Center. You can also find an application and list of required documentation for adults online at:

https://techcenter.vbschools.com/our_school/programs/licensed_practical_nursing

Step 2: Application Deadline: May 1, 2019 by 3:00 PM. Submit your application and required documentation to the Virginia Beach School of Practical Nursing at the address listed in step one. Please do not submit any paper work to the Adult Learning Center.

Step 3: Sit for the ATI TEAS Entrance Exam. Exam fee: \$70. Exam will be scheduled upon successful completion of the application process. **Eligible students may receive financial aid through the GI Bill, VA Benefits, or Pell Grants.**

*High school students, please call 757-648-5889 for application information.

DIALYSIS TECHNICIAN

Cost & hours: \$999/50 hrs

NEW! 3510 DIALYSIS TECHNICIAN

This 50-hour Dialysis Technician Program provides students with the knowledge and skills needed to perform the duties required of Dialysis Technicians. Under the supervision of physicians and registered nurses, Dialysis Technicians operate kidney dialysis machines, prepare dialyzer reprocessing and delivery systems as well as maintain and repair equipment. Furthermore, technicians work with patients during dialysis procedures and monitor and record vital signs as well as administer local anesthetics and drugs as needed. Additionally, they may also be involved in the training of patients for at-home dialysis treatment.

PLEASE NOTE: This program does not include a national or state certification as part of its overall objectives. Additionally, there is no student internship or clinical rotation offered as part of this program.

MEDICAL ADMINISTRATIVE ASSISTANT

Cost & hours: \$1199/52 hrs + 80-hr externship

Approved by Hampton Roads Workforce Council

3520 MEDICAL ADMINISTRATIVE ASSISTANT

This 52-hour course prepares students to function effectively in many of the administrative and clerical positions in the health care industry. Medical Administrative Assistants, Medical Secretaries, and Medical Records Clerks are all positions in great demand. This program covers important background information on the medical assisting profession and interpersonal skills, medical ethics and law, medical terminology, basics of insurance billing and coding, telephone techniques, scheduling appointments, medical records management and management of practice finances. This program is intended to provide students with a well-rounded introduction to medical administration so that a student can gain the necessary skills required to obtain a medical administrative assistant position in the health care field. **PLEASE NOTE:** This program meets the necessary requirements to take the National Healthcareer Association (NHA) Certified Medical Administrative Assistant (CMAA) exam. To be eligible for the externship, students must successfully complete the 52-hour program, submit to a thorough FBI background check, drug screening, immunizations and meet other requirements.
